“SAVE WATER” - COLOUR THE IMPORTANT MESSAGE BELOW:

Although most of Earth's surface is covered in water, only about 2% of it is drinkable. Most land animals, including humans, depend on this precious 2% for survival.

Date: 30 / 3 / 20

Kiran said to herself , “ I will try to save water from now on.

B. FILL IN THE BLANKS WITH THE CORRECT WORDS FROM THE STORY:

We can save water by:

- a) Taking a short shower.
- b) Turning off the tap while brushing our teeth.
- c) Not letting the water run all the ~~all the~~ time while washing clothes.
- d) Telling our parents about leaking taps.
