

AL MOATTASEM INTERNATIONAL SCHOOL AL-JUBAIL

3 November 2020

Dear Parents,

Parental involvement in student's studies has been demonstrated to be a key factor for children's academic achievements. Positive connection between parents and teachers are necessary to improve children's academic achievements, social competencies and emotional well-being. When parents and teachers communicate and work together effectively, it has a significant impact on students long term success especially during this pandemic situation.

A parent teacher virtual meeting will be held to discuss student's progress and to attain feedback for improvement.

Date: 5th November 2020, Thursday

Time: 6:00pm to 8:00pm

Please follow the instructions for a positive, smooth, and effective interactions with the teacher.

- A zoom link will be provided by the respective class teachers to the parents
- Timeslot will be allotted to each parent to attend the meeting and it will be informed to the parents through class whatsapp group
- A time limit of 5 minutes will be allotted to each parent for interaction. We request parents to please cooperate with us to follow the time limit to avail opportunity to all the parents for interaction.
- Those who cannot join the meeting on the allotted time have to take another appointment to meet the teacher. Timeslot should be strictly followed.
- During the meeting parents can meet only the class teachers if you want to meet any other subject teacher you can take a prior appointment with that particular teacher through whatsapp.
- School is availing an opportunity to meet the Language teachers also, for that parents have to take a prior appointment to get a timeslot between 6:00pm to 8:00pm.
- We need your full support, cooperation and patience to make it successful as it is a new virtual experience for teachers and parents.

Thank you.
