World Environment Awareness Day

Dear Students and Parents

MISJ will be celebrating **The World Environment Awareness Day** on 18th February 2021. It is an environmental awareness day, run by the United Nations. It is sometimes unofficially called as Eco Day or Environment Day. The aim of the Day is to raise awareness of the environment and specific environmental issues.

It's celebrated to make students aware about the environmental concerns ranging from pollution to global warming, sustainable food production and protection of wildlife to save our planet Earth.

Every year there is a theme for environmental Day celebration. This year the focus is 'Beat Plastic Pollution', an effort to reduce plastic pollution.

The following programs will be conducted to build awareness on environmental protection.

Date: 18th February 2021

Time: 12:20pm to 1:00pm (Grade 1-9). VENUE: Classera Virtual Class

1. A presentation by class teacher on Environmental awareness.
2. Programs by students
3. Message or presentation by parents.
4. Drawing, collage or poster competition

Details of the competition:

- **Drawing competition for Grade 1 and 2.**
Topic: A Beautiful scenery depicting the beauty of nature.
- **Collage competition for Grade 3 to 5** **Topics:**
 - The 3 R's: reduce waste, reuse resources, and recycle materials.
 - Protection of wild life and forest.
- **Poster making competition for Grade 6 to 9** **Topics:**
