Dear parents,

Parent-teacher meetings play a significant role in enhancing a child's education. It is an effective way for both; parents as well as teachers to discuss how the child has been doing in school. The union of the teacher's feedback and parent's concern can immensely help a child's education journey.

A parent-teacher meeting is great opportunity to share academic progress and to gain feedback from teachers so you can be better informed about students' strength's, needs, behavior and learning styles.

We will be conducting a virtual parent's teacher meeting through classera on 18<sup>th</sup> March 2021, Thursday from 6:00 to 8:00pm. The unit test marks and the assessment reports for every subject will be available in **classera assessment** from 5:00pm on Thursday before the parents meeting.

We kindly request all the parents to make use of this opportunity to gain complete progress of your child.

If you find any glitches related to the assessment report, please report it to the class teacher during the meeting.

Please follow the instructions for a smooth and effective parent teacher meeting.

- A timeslot of 5min will be allotted to each parent through the class WhatsApp group for classera virtual meeting.
- A zoom meeting link will be provided by the respective class teachers to the parents in the class group.
- We request the parents to cooperate with us to follow the time limit to avail opportunity to all parents for interaction.
- Those who cannot join the meeting on allotted time, have to take another appointment to meet the teacher. Timeslot should be strictly followed.
- During the meeting parents can meet only the class teacher if you want to meet any other subject teacher or language teacher you can take a prior appointment with that particular teacher to get a time slot between 6 PM to 8 PM through WhatsApp.
- ZOOM Link or contact number of all the subject teachers and language teachers will be provided in the class whatsapp group during the meeting.

“At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.”  
- Jane D. Hull

We request your usual support, cooperation and patience to make the meeting successful.

A gentle reminder to dear parents to clear all the fee dues including March before 25<sup>th</sup> March 2021.

Regards,

MISJ
